

# FARMINGTON HILLS Michigan Heritage Park

## Farmington Hills Nature Center

This 2,325 square foot facility is the hub of the park and offers interpretive exhibits reflecting our natural world, including a life-sized oak tree and animal home exhibit. Additionally, there is a bird viewing area, native fish aquariums, library and hands-on learning station for kids. Come enjoy the seasons with our educational programs, events and clubs. Make sure to visit the Nature Discovery trail (sensory trail and nature playground) just north of the Nature Center.

Monday - Saturday: 10am-5pm  
 Sunday: Noon-5pm  
 Closed Holidays and Mondays during the winter months
