

Junior Naturalist Club

Enrich your child's natural curiosity of the outdoors through this hands-on nature discovery program! Children will explore a different topic each month and gain an understanding of nature and their important role in helping to protect it. They will touch, smell, hear, and see many aspects of the natural world. Sign-up for all 5 classes or just the ones that interest you!

Fee: \$10/class (pre-registration)
Drop-in Fee: \$12/class
Ages: 5-11 **Time:** 10-11:30am
Site: Nature Center
