

After School Youth Center - Tutoring Program In Partnership with Club Z! Tutoring

Dear Parents,

Over the last eleven years, the After School Program has partnered with Club Z! Tutoring, a professional tutoring service with a great opportunity for interested parents and Youth Members. We are offering after school homework assistance for Youth Center

Members from 4:00 pm – 5:00 pm at the following locations: **The Costick Youth Center** tutoring sessions on Mondays and Tuesdays. **The Jon Grant Youth Center** tutoring sessions on Wednesdays and **The Ice Arena** tutoring sessions on Mondays. Tutors will provide help with homework in groups of up to 10 in a quiet location. Once the students have completed their assignments, they may leave the homework area and participate in Youth Center activities. Members will have the opportunity to complete their homework before it is time to go home.

Because of donations and grants we are able to offer this program for free. However, if you would like to make a contribution to our tutoring program it would be greatly appreciated. Checks should be made payable to City of Farmington Hills.

Tutoring sessions will be ongoing and you can start at any time.

Sincerely yours,

Todd L. Lipa
