

# PUBLIC art PROGRAM

2017 | 2018

FARMINGTON HILLS

## ABOUT THE PUBLIC ART PROGRAM

The Public Art Program was initiated in 2010 to enhance the newly renovated Farmington Hills City Hall. The program brings art into our daily lives and humanizes and invigorates City Hall by generating conversation, cultivating inspiration, and contributing insight.

The City gratefully acknowledges the many talented artists who have so generously loaned their work to further enhance the atmosphere of City Hall for visitors and employees.

Presented by:  
Farmington Hills Special Services Department  
Cultural Arts Division

# FARMINGTON HILLS CITY HALL

31555 W. Eleven Mile Road, Farmington Hills, MI 48336

Farmington Hills City Hall is an innovative facility balancing functionality with sustainability and pleasing aesthetics. With its efficient layout, minimalist finishes and concrete floors, the building offers a sleek design while acting as a welcoming host to the nearly 60,000 annual visitors, citizens, and staff.

The renovations give new life to the previously outdated City Hall making it a LEED® (Leadership in Energy and Environmental Design) Gold certified state of the art, sustainable facility. City Hall is honored that regional prominent artists choose to display their work in our building.

## PUBLIC ART PROGRAM SPONSORSHIP

Each year, approximately 60,000 people walk through the doors of City Hall including citizens, visitors, and staff. For those unable to visit the exhibition in person, we plan to include a virtual component on the city's website which welcomes nearly 10,000 visitors each week. Making an investment in this program is a prestigious and effective way to increase your visibility to a diverse audience in the community.
