WORLD RENOWNED GROUP - PERFORMING IN FARMINGTON HILLS FOR THE FIRST TIME! DON'T MISS THIS THRILLING CONCERT!

With the new resurgence of the '70s, portrayed in part by the hugely popular live musical production and now the world wide release of "Mamma Mia" - The Movie, the music of ABBA is finding its way back into the hearts of those who lived it then and taking over the hearts of those who are experiencing it for the first time now.

adbacadabra promises to continue the momentum by performing the group's greatest hits in full ABBA fashion and flair. You won't be able to sit still in your seats as songs like S.O.S., Super Trooper and Dancing Queen are re-created with such precision you'll swear you were listening to the originals themselves. The melodies of Fernando and Chiquitita will rekindle those feelings of first loves. Take a Chance on Me and Voulez Vous will lift you out of your seats to dance!

The show is authentic in music and dress and is performed to live music!
