CITY OF FARMINGTON HILLS  
PETITION FOR REMOVAL OF DETERMINATION  
OF A POTENTIALLY DANGEROUS ANIMAL

Description of Animal(s) (Name/Breed): \_\_\_\_\_

I, the undersigned, hereby request the Animal Review Board to consider removing the Potentially Dangerous Animal classification for the above-named animal as determined by the Enforcement Officer and/or Animal Review Board on \_\_\_\_\_, 20\_\_\_\_.

**Ordinance, Chapter 6, Sec. 6-62 – Removal of potentially dangerous animal classification:**

The owner of a dog that has been determined to be a potentially dangerous animal may request that the classification of the dog as a potentially dangerous animal should be reconsidered and removed, which request may be granted by the district court or animal review board, as applicable, if the owner demonstrates that the dog has been incident free for more than eighteen (18) months, the dog and owner have successfully completed obedience training, the dog has been issued and maintained a canine good citizenship certificate by a certified tester pursuant to the standards of the American Kennel Club, and the owner has complied in all respects with the provisions of this chapter of the code and any applicable court orders. A request submitted to the animal review board for removal of a potentially dangerous animal classification under this Section must be made on a form provided by the City Clerk for such purposes and must include a non-refundable administrative and processing fee established by resolution of the City Council and such other information deemed necessary by the City Clerk for purposes of processing the request.
