What is Neighborhood House?

Neighborhood House is a Farmington Area non profit agency providing support to help clients regain their well-being in the wake of financial and/or economic upset.

We provided assistance in the form of a listening ear, limited food, furnishings, clothing and financial aid. We offer hope and are a referral agency to other resources within the community and region such as churches and social agencies.

One phone call puts community residents in contact with those who care about their needs and can best offer assistance and guidance.

Who may benefit?

Any individual who has a need for:

- Food
- Shelter
- Clothing
- Rent Assistance
- Utility Assistance
- Medical or Dental Needs
- Mental Health Services

People facing hunger or a personal problem can look to Neighborhood House for direction.

Should a disaster occur, such as a fire, a flood, or a tornado, we provide emergency referrals on an individual basis.

Referrals to a counseling program for alcohol or drug abuse, spousal or child abuse or other rehabilitation programs are readily available.

How can you help?

Neighborhood House is solely funded by cash contributions and donations.

Please call us if you have any gently used household items or children's clothing. Our small warehouse limits the amounts of inventory we can store. Call us at 248.871.2848 to discuss your donation and how we can coordinate an effort to utilize it.

Cash contributions are always welcome. We are a not-for-profit 501(c)(3) agency.
