POLICE DEPARTMENT**

**SAFE TRANSACTION ZONE
May 19, 2015**

The Farmington Hill Police Department parking lot or Command Desk Lobby are available for use by residents buying, selling or trading items from strangers. While Police Department employees cannot serve as witnesses or become involved in any purchase negotiations, police officers will be in close proximity if needed. Please do not use the parking lot to store vehicles or property.

Meeting strangers in a safe location reduces the odds of criminal victimization and eliminates the need to give a stranger your address. Regardless of the meeting location selected, daylight transactions are always the safest and at all times trust your instincts.

Many residents have already been using the Police Department parking lot for transactions. Whatever location you select, focus on safety.

For further information, please contact Farmington Hills Police Chief Chuck Nebus at (248) 871-2702.
