

Using the Interactive Parcel Viewer Application

Department of Finance/Assessing Division-Farmington Hills, Michigan

Navigating the Map Interface (Instructions on following page)

Parcel App: <http://tinyurl.com/FHParcelApp>

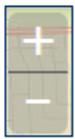

Hide/Show
Overview
Map

Property Search: Two Methods

1. Address: Type in the full numeric address and street name of the property (Example: 28225 Middlebelt). The address should appear as you're typing in the property address number. Another method is to type the numeric address and first letter of the street.
2. Parcel ID: Type in the property's 10-digit parcel number (no dashes). Example: 2322226025

Basic Navigation Tools

Zoom In and Out

Click on the + or – symbols to zoom in and out on the map respectively. On mobile devices you can also pinch with your fingers to zoom in and out on the map

Full City

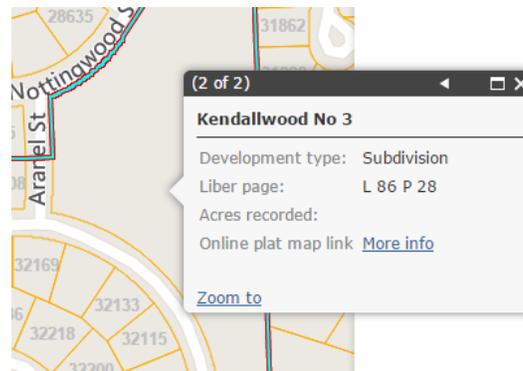

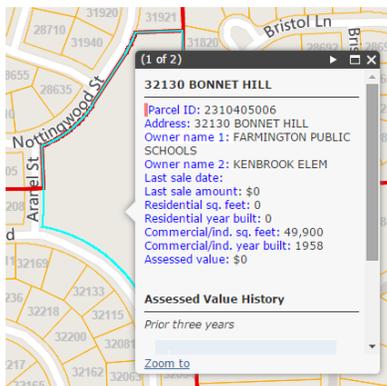

Click on the Home icon to zoom out to see the original full-city view

Zoom To Your GPS Location

When viewing the app on a mobile device with GPS activated, clicking this icon will zoom to your current location.

Obtaining Data from the Map

Clicking on the map will display information on all map layers under that point. The map contains the following layers with associated info: tax parcels (property boundaries) and subdivision-condo boundaries. The pop-up window that appears will display additional info on the properties and for the subdivisions, provide a link to an online-plat map if available.

Map Viewing Tools

Map Layers

Displays the layers available on the map. Click the checkbox next to each layer to turn them on/off.

Switch Basemap

Allows you to switch between available basemaps, including aerial imagery (Note: Imagery provided via Microsoft Bing Maps and not internal aerial photos produced by Oakland County)

Print Map

Print your current map to a PDF or other image formats at various page sizes and orientation.

Map Query, Measurement, and Drawing Tools

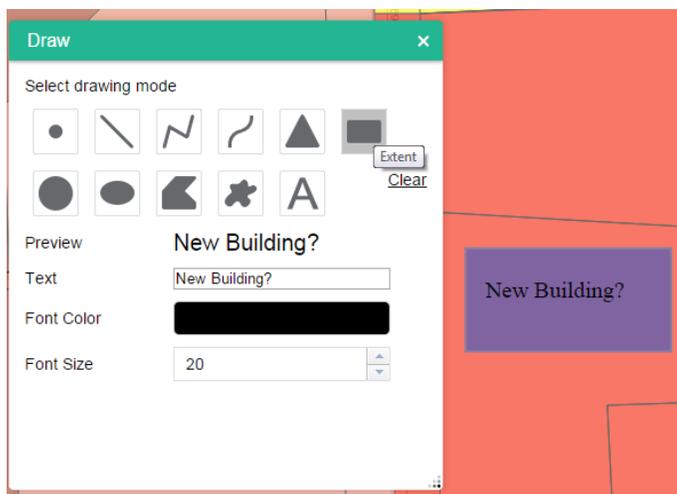

Measure Tool

Use this tool to click on the map to measure line distances and area measurements in a variety of units: feet, meters, square feet, etc.

Drawing Tool

Create your own shapes and text in a variety of shapes and colors with the drawing tool.

Additional Notes

- Tax parcel layer updates occur on a bi-weekly or monthly basis depending on frequency of property lot splits or combinations.
- If an owner name appears incorrect, please note the address and/or parcel number and visit our online property inquiry site, which is updated on a daily basis. <http://farmingtonhillscity.is.bsasoftware.com/>
- Questions or concerns about a particular property? Contact our Assessing Division at 248-871-2470.
- Questions about the application or data? Contact the Central Services Department at 248-871-2430.
